**3. PROGRAM AND SPACE**

There is enough space to play freely indoors and outdoors.			
There is a smoke detector, carbon monoxide detector and fire evacuation plan.			
The indoor space is clean and free of hazards such as peeling paint and outlets are covered.			
The outdoor space is clean and free of hazards such as broken glass, poisonous plants.			
All playground equipment is sturdy and in good condition.			
<b>• Infant/Toddler</b>			
There are clean/comfortable changing/sleeping spaces separate from cooking/eating areas.			
The play space is warm, soft and comfortable for floor play. My baby will be able to set his/her own schedule for rest and food.			
There are interesting, safe things to handle and look at and spaces to crawl into and explore.			
<b>• Preschooler</b>			
I feel comfortable with the type of activities planned (think about the amount of adult direction and the things your child likes to do).			
There is a daily schedule with opportunities for active and quiet play and outdoor play time.			
The children and caregivers seem interested, busy and relaxed.			
It is clear where toys and materials are kept and children can get things for themselves.			
There are a variety of materials such as books, blocks, puzzles, games, props for dramatic play and art supplies.			
<b>• School-ager</b>			
I feel comfortable with the ages of children my child will play with.			
My child will be carefully supervised, have freedom to choose safe activities, and be able to relax after a day of school.			
There are interesting, fun and challenging activities planned for my child each day.			

**4. GENERAL IMPRESSIONS**

I feel comfortable with the program philosophy (e.g. multicultural, non-sexist, religious).			
I can picture my child playing happily in this situation.			
There is a balance of ages, boys/girls, personalities and ethnic/cultural backgrounds.			
Others have said positive things about this person or program.
