Region I Educator and Provider Support Presents:

Family Family Child Care PLC

A Professional Learning Community (PLC), is an extended learning opportunity to foster collaborative learning and share experiences among colleagues within the field of Early Childhood and Out-of-School Time Education. PLC's share best practices and experiences during each meeting.

FCC providers gather monthly to discuss program planning and improvement using EEC Regulations and Policies and QRIS standards as a guideline. The focus for each monthly meeting is guided by the participants in order to meet their needs. If you are looking to establish a strong network of FCC professionals, this is the place for you!

Participation in this PLC meets the QRIS standard that asks that the "Educator establishes on-going communication with other family child care providers in the community or community agencies to exchange information and resources."
