

## Region I Educator and Provider Support Presents:

### Out of School Time Leaders PLC

*A Professional Learning Community (PLC), is an extended learning opportunity to foster collaborative learning and share experiences among colleagues within the field of Early Childhood and Out-of-School Time Education. PLC's share best practices and experiences during each meeting.*

The Out-of-School Time Leaders PLC brings together site coordinators, administrators, and aspiring leaders to share best practices, learn about and develop strategies to enhance QRIS upward mobility, review EEC licensing regulations and policies, and practice using the tools necessary to evaluate programs. We are an active collaboration of leaders who provide feedback and suggestions to each other and the community on a shared vision for high quality after school and out of school time programming.
