FCC Training Opportunities held at V.O.C. in Chicopee

1. Fomentando el desarrollo cerebral de los bebés y niños pequeños a través de canciones, movimientos, literatura y marionetas a V.O.C. Chicopee

¿Desea tener un impacto positivo en el desarrollo cerebral de los niños en su programa de educación infantil familiar? Si es así, ¡acompañenos en esta capacitación! Durante la sesión discutiremos la importancia de las acciones que brindarán una arquitectura cerebral más sólida en los niños, como ser las relaciones entre educadores y niños, los componentes del cerebro y la secuencia de su desarrollo. Además, identificaremos como las experiencias que incluyen música, marionetas, literatura infantil, imaginación, y el juego físico incrementan el desarrollo del cerebro en los bebés y niños pequeños. ¡Los espero!

OST Training Opportunities held at Holyoke YMCA

2. Fostering Positive Behavior in Out of School Time Programs at Holyoke YMCA

Educators are reporting an increase in the frequency of challenging behaviors in their programs. Research is demonstrating the need for a more trauma-informed and comprehensive approach in working with children and families. Come and learn how to improve the social-emotional climate in your program and decrease the incidences of negative behaviors. Using a CSEFEL model we will set the foundation with building warm and nurturing relationships, explore ways to enhance the program structure to support an atmosphere of mutual respect and growth, and develop guidance and intervention strategies that address the challenging behaviors you are struggling with.

Presented by: Donna Jasak
